Merry Christmas!

Cate and board of trustees would like to wish everyone a safe and Happy Christmas and a Peaceful New Year!

We would like to thank you all for your ongoing support, and look forward to a successful year ahead.

Winter Support & Referrals from Hub

Please be aware that a wide range of support is now available for families and Peterborough residents that may struggle this winter and require extra support, especially during the global pandemic. We are receiving referrals directly from the hub. So please familiarise yourselves with the Peterborough City Council website to check eligibility. Or if you know someone who may require such support, please encourage them to contact 0345 045 5219 for further information.

New Tier 4 Restrictions

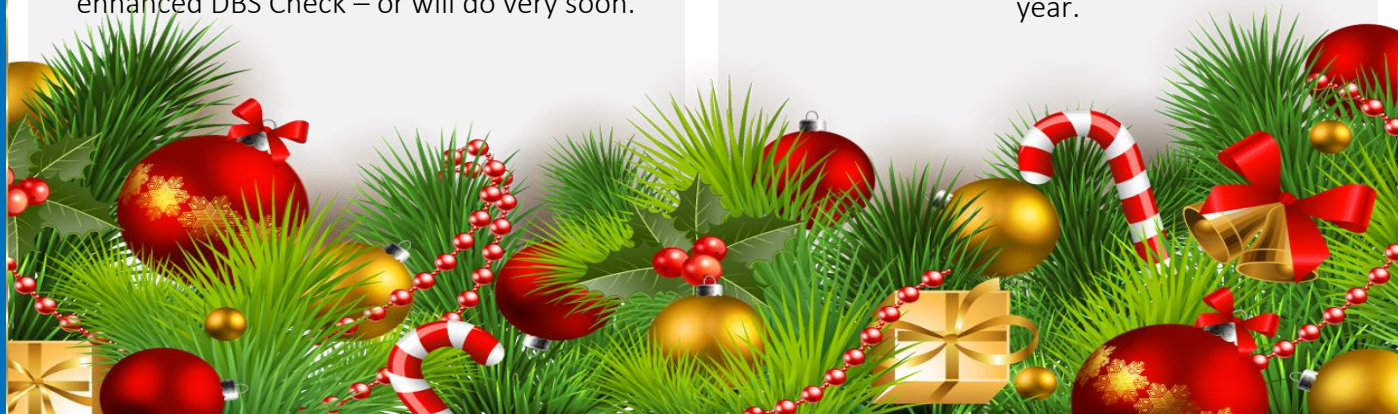

Stronger restrictions being in place across all areas of Peterborough now means that particular clients may be placed into a more vulnerable situation, and therefore we need to be aware of this. Please encourage them to seek support wherever they may need.

DBS Checks

I am pleased to let you all know that all registered Volunteers have now had their ID verified and should have received their enhanced DBS Check – or will do very soon.

New Year, New Support

We have introduced a new membership agreement in anticipation of additional rural parish councils joining the charity in the new year.
